

ANI Pharmaceuticals Announces Launch of Authorized Generic of Atacand HCT® Tablets

October 4, 2018

BAUDETTE, Minnesota (October 4, 2018) - ANI Pharmaceuticals, Inc. ("ANI") (Nasdaq:ANIP) today announced the launch of Candesartan Hydrochlorothiazide Tablets, 16mg/12.5mg, 32mg/12.5mg, and 32mg/25mg, an authorized generic of Atacand HCT®. The current annual U.S. market for this product is approximately \$20 million, according to IQVIA/IMS Health.

Arthur S. Przybyl, ANI's President and CEO stated, "We are pleased to announce the launch of the authorized generic of our brand product Atacand HCT®. This launch represents ANI's sixth generic new product introduction in 2018."

About Atacand HCT® Tablets

Atacand HCT® is indicated for the treatment of hypertension.

About ANI

Forward-Looking Statements

To the extent any statements made in this release deal with information that is not historical, these are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about price increases, the Company's future operations, products financial position, operating results and prospects, the Company's pipeline or potential markets therefor, and other statements that are not historical in nature, particularly those that utilize terminology such as "anticipates," "will," "expects," "plans," "potential," "future," "believes," "intends," "continue," other words of similar meaning, derivations of such words and the use of future dates.

Uncertainties and risks may cause the Company's actual results to be materially different than those expressed in or implied by such forward-looking statements. Uncertainties and risks include, but are not limited to, the risk that the Company may face with respect to importing raw materials; increased competition; acquisitions; contract manufacturing arrangements; delays or failure in obtaining product approval from the U.S. Food and Drug Administration; general business and economic conditions; market trends; products development; regulatory and other approvals and marketing.

More detailed information on these and additional factors that could affect the Company's actual results are described in the Company's filings with the Securities and Exchange Commission, including its most recent annual report on Form 10-K and quarterly reports on Form 10-Q, as well as its proxy statement. All forward-looking statements in this news release speak only as of the date of this news release and are based on the Company's current beliefs, assumptions, and expectations. The Company undertakes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
