

## **ANI Pharmaceuticals, Inc. Announces Date for Third Quarter 2013 Earnings Release**

October 31, 2013

**BAUDETTE, Minnesota (October 29, 2013)** ◆ ANI Pharmaceuticals, Inc. (NASDAQ: ANIP) will release its third quarter 2013 earnings before the market opens on Thursday, November 7th, 2013.

### **About ANI**

ANI is an integrated specialty pharmaceutical company developing, manufacturing, and marketing branded and generic prescription pharmaceuticals. In two facilities with combined manufacturing, packaging and laboratory capacity totaling 173,000 square feet, ANI manufactures oral solid dose products, as well as liquids and topicals, including narcotics and those that must be manufactured in a fully contained environment due to their potency and/or toxicity. ANI also performs contract manufacturing for other pharmaceutical companies. Over the last two years ANI has launched three new products and has twelve products in development. ANI ◆s targeted areas of product development include narcotics, anti-cancers and hormones (potent compounds), and extended release niche generic product opportunities. ANI ◆s other products include an FDA-approved testosterone gel, which is licensed to Teva Pharmaceuticals USA. ### **Forward-Looking Statements**

To the extent any statements made in this release deal with information that is not historical, these are forward-looking statements under the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the potential benefits of the merger, the combined company ◆s plans, objectives, expectations and intentions with respect to future operations and products, the anticipated financial position, operating results and growth prospects of the combined company and other statements that are not historical in nature, particularly those that utilize terminology such as ◆anticipates, ◆ ◆will, ◆ ◆expects, ◆ ◆plans, ◆ ◆potential, ◆ ◆future, ◆ ◆believes, ◆ ◆intends, ◆ ◆continue, ◆ other words of similar meaning, derivations of such words and the use of future dates. Forward-looking statements by their nature address matters that are, to different degrees, uncertain. Uncertainties and risks may cause the combined company ◆s actual results to be materially different than those expressed in or implied by such forward-looking statements. Uncertainties and risks include the risk that the Company may in the future be required to seek FDA approval for its unapproved products or withdraw such products from the market; the Company may fail to meet NASDAQ listing requirements; general business and economic conditions; the Company ◆s need for and ability to obtain additional financing; the difficulty of developing pharmaceutical products, obtaining regulatory and other approvals and achieving market acceptance; and the marketing success of the Company ◆s licensees or sublicensees. More detailed information on these and additional factors that could affect the Company ◆s actual results are described in the Company ◆s filings with the Securities and Exchange Commission, including its most recent annual report on Form 10-K and this quarterly report on Form 10-Q, as well as its proxy statement/prospectus, filed with the Securities and Exchange Commission on May 8, 2013. All forward-looking statements in this quarterly report speak only as of the date made and are based on the Company ◆s current beliefs and expectations. The Company undertakes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
