

## Glass, Lewis & Co., LLC Recommends Vote "FOR" BioSante/ANI Merger

March 4, 2013

LINCOLNSHIRE, Illinois (March 4, 2013) ♦ BioSante Pharmaceuticals, Inc. (NASDAQ: BPAX) today announced that Glass, Lewis & Co., LLC, an independent proxy advisory firm, has recommended that BioSante stockholders vote "FOR" the adoption of the merger agreement between BioSante and ANIP Acquisition Company d/b/a ANI Pharmaceuticals, Inc. and all related proposals being submitted to a vote of stockholders at BioSante ♦s upcoming special meeting of stockholders scheduled to be held on March 15, 2013.

BioSante encourages all stockholders to vote their shares today by calling (800) 357-9167. No confidential information will be required and the call will only take a moment. Each stockholder ♦s vote is critical to the success of the merger whether the position be 100,000 shares or even 1,000 shares. The board of directors of BioSante unanimously recommends that stockholders vote "FOR" the adoption of the merger agreement and all related matters being submitted to a vote of BioSante stockholders.

BioSante stockholders who need assistance in voting their shares or who have questions regarding BioSante ♦s special meeting may contact The BioSante Proxy Information Line toll-free at (800) 357-9167 or AST Phoenix Advisors at (877) 478-5038.

Glass, Lewis & Co. joins ISS and Egan-Jones, all independent proxy advisory firms, in recommending FOR the BioSante-ANI merger. None of these recommendations was solicited by BioSante or ANI, and no fees were paid by BioSante or ANI to any of these companies.

About BioSante Pharmaceuticals, Inc.

BioSante ♦s corporate strategy is to develop high value medically-needed pharmaceutical products and to implement strategic alternatives with respect to its products and its company, including licenses, business collaborations and other business combinations or transactions with other pharmaceutical and biotechnology companies. BioSante ♦s products include LibiGel ♦ (transdermal testosterone gel) for the treatment of female sexual dysfunction (FSD), specifically hypoactive sexual desire disorder (HSDD), which is in Phase III development. BioSante ♦s other products include an FDA-approved testosterone gel for male hypogonadism, which is licensed to Teva Pharmaceuticals USA, Inc., and the Pill-Plus ♦, an oral contraceptive in Phase II clinical development by Pantarhei Bioscience B.V. BioSante ♦s first FDA-approved product, Elestrin ♦ (estradiol gel) indicated for the treatment of hot flashes associated with menopause, is marketed in the U.S. by Meda Pharmaceuticals, BioSante ♦s licensee.

### Forward-Looking Statements

To the extent any statements made in this news release deal with information that is not historical, these are forward-looking statements under the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the proposed transaction between BioSante and ANI and other statements that are not historical in nature, particularly those that utilize terminology such as "will," "expects," "plans," "potential," "future," "believes," "intends," "continue," other words of similar meaning, derivations of such words and the use of future dates. Forward-looking statements by their nature address matters that are, to different degrees, uncertain. Uncertainties and risks may cause BioSante ♦s and the combined company ♦s actual results to be materially different than those expressed in or implied by such forward-looking statements. Particular uncertainties and risks include, among others, the failure of the BioSante or ANI stockholders to approve the transaction, the risk that BioSante ♦s net cash at closing will be lower than currently anticipated or the failure of either party to meet the other conditions to the closing of the transaction; delays in completing the transaction and the risk that the transaction may not be completed at all; the failure to realize the anticipated benefits from the transaction or delay in realization thereof; the businesses of BioSante and ANI may not be combined successfully, or such combination may take longer, be more difficult, time-consuming or costly to accomplish than expected; operating costs and business disruption during the pendency of and following the transaction, including adverse effects on employee retention and on business relationships with third parties; the risk that the contingent value rights may not be distributed prior to the completion of the merger or at all or may not be paid out or result in any value to BioSante stockholders; general business and economic conditions; the combined company ♦s need for and ability to obtain additional financing; the difficulty of developing pharmaceutical products, obtaining regulatory and other approvals and achieving market acceptance; the marketing success of BioSante ♦s and the combined company ♦s licensees or sublicensees. More detailed information on these and additional factors that could affect BioSante ♦s actual results are described in BioSante ♦s filings with the Securities and Exchange Commission (SEC), including its most recent annual report on Form 10-K and its registration statement on Form S-4 filed in connection with the proposed transaction with ANI. All forward-looking statements in

this news release speak only as of the date of this news release and are based on BioSante's current beliefs and expectations. BioSante undertakes no obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

#### Important Additional Information for Investors and Stockholders

This communication is being made in respect of the proposed merger between BioSante and ANI and related matters involving BioSante and ANI. In connection with the proposed transaction, BioSante has filed with the SEC and the SEC has declared effective a registration statement on Form S-4, containing a joint proxy statement/prospectus and other relevant materials. The final definitive joint proxy statement/prospectus has been sent to the stockholders of BioSante and ANI. Investors and security holders are urged to read the joint proxy statement/prospectus (including any amendments or supplements) and other documents filed with the SEC carefully in their entirety because they contain important information about BioSante, ANI and the proposed transaction.

Investors and security holders may obtain free copies of the registration statement and the joint proxy statement/prospectus and other documents filed with the SEC by BioSante at the SEC's web site at [www.sec.gov](http://www.sec.gov). Free copies of the registration statement and the joint proxy statement/prospectus and other documents filed with the SEC also can be obtained by directing a request to BioSante, Attention: Investor Relations, telephone: (847) 478-0500. In addition, investors and security holders may access copies of the documents filed with the SEC by BioSante on BioSante's website at [www.biosantepharma.com](http://www.biosantepharma.com).

BioSante and its directors and executive officers and other persons may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction described in this release. Information regarding BioSante's directors and executive officers is available in BioSante's annual report on Form 10-K for the year ended December 31, 2012, which was filed with the SEC on February 28, 2013. Investors and stockholders can obtain more detailed information regarding the direct and indirect interests of BioSante's directors and executive officers in the proposed transaction by reading the definitive joint proxy statement/prospectus.

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
